

# CROSSFIELDS MANUAL WALK-BEHIND SWEEPER

CROSSFIELDS IN ITS ENDEAVOUR TO BRING  
HIGHEST LEVELS OF HEALTH AND SANITATION  
VIA WATER, AIR & EARTH.

Crossfields sweepers are built with heavy duty metal construction to withstand any applications and provide long years of life. Its is a no compromise product featuring heavy duty moulded rubber and caster wheels. It can perform in both indoor and outdoor applications in all types of surfaces due to its various main brush designs available on request. Compared to a manual broom it will pick up and remove dust, dirt, sand, nails, bolts cigarette etc up to 6 times faster. It is also available in Stainless steel construction for pharma and hospitals.
