COMAC C30 EM

- ❑ The CI C30 EM is a trolley cold pressure washer designed to be compact yet robust. It is a professional powerwasher capable of offering the perfect combination of performance, user-friendliness and easy maintenance
- ❑ The CI C30 EM's robust metal trolley and two large wheels with rubber treads make it a solid high-pressure washer that is still easy to move.
- ❑ High reliability and excellent performance allow the CI C30 EM to be the ideal professional cold pressure washer for intensive use and long jobs. It is therefore perfect for the food, agricultural, industrial, automotive and handicraft sectors.
